

ALLERGENS CONTENT IN INGREDIENTS

21/02/2022

At Barburrito, we take allergies and dietary requirements seriously. If you have a food allergy or intolerance, please let your server know before you order.

This guide explains the allergens that are specifically contained in our food recipes. However, please note that our dishes are prepared in a busy kitchen where allergens are present and some of the ingredients are made in factories where allergens are used and handled. As such, we cannot guarantee our dishes are 100% allergen-free.
